

28 July 1972

The Deputy Director

GACarver, Jr.

Attached are two notes on Tran Kim Phuong, who is functioning as Ambassador but has not yet formally presented his credentials. The State airgram is rather bland and not particularly informative though it does clearly reflect the high regard in which Phuong is held by our Saigon Embassy. The Agency memo is a bit more detailed and you will probably find it somewhat more helpful.

George A. Carver, Jr.
Special Assistant for Vietnamese Affairs
